CASE NO. 2:22-cv-01269-TL

ORDER FOR BRIEFING

The Court ORDERS the Parties to brief whether the case should be stayed pending the outcome of arbitration by filing a joint status report by **no later than November 16, 2023**, that addresses: (1) the resources available to the Parties to maintain active litigation in multiple forums simultaneously, (2) any prejudice that could be caused by the grant of a stay, and (3) any prejudice that could be caused by not entering a stay at this time. The Parties must coordinate on the filing to detail any points on which they agree and clearly indicate any areas of disagreement along with factual reasons and legal authorities in support of their respective positions.

Dated this 2nd day of November 2023.
